Professional Summary

Frontend Developer with hands-on experience in building responsive and user-friendly web applications using HTML5, CSS3, JavaScript, React, Bootstrap, Python, Django and SQL. Skilled at translating design concepts into functional, high-quality interfaces with strong attention to detail. Seeking an entry-level opportunity to apply technical expertise, contribute to innovative projects, and grow as a professional Frontend developer.

Technical Skills

- **Languages:** Python, HTML5, CSS3, JavaScript,
- **Frameworks and Libraries:** Django, React, Bootstrap
- **Database:** SQL
- **Tools & Platforms:** Git, GitHub, VS Code, Vercel
- **Other Skills:** Responsive Design, UI/UX Principles, DOM Manipulation

Academic Qualification

BSc Computer Science
Periyar University, Tamil Nadu
2022 – 2025 | CGPA: 6.2/10

Projects

1.E-Commerce Website - GitHub
Tech Stack: Django full stack
- Built a Django-based static e-commerce application using server-side rendering.
- Implemented product management, cart functionality, and user authentication.
- Designed responsive UI using HTML, CSS, Bootstrap, Flexbox, and Grid.
- Used Django ORM for database operations and business logic.

2.Weather App - Live Link | GitHub
Tech Stack: HTML, CSS, JavaScript
- Developed a responsive Weather App using HTML, CSS, and JavaScript.
- Implemented API integration to fetch real-time weather data for user-searched cities.
- Displayed temperature, weather conditions, and dynamic icons based on data.
- Used DOM manipulation and event handling to update results instantly.
- Improved understanding of API handling, front-end logic, and responsive design.

3.WhatsApp Clone - Live Link | GitHub
Tech Stack: React.js, JavaScripts, CSS3
- Developed a WhatsApp-inspired user interface using React with reusable components.
- Implemented chat list, chat window layout, message bubbles, and responsive design.
- Used React state and props to manage UI interactions and component structure.

Certifications

- Python Full Stack Development with Django – IT Vedant

Soft Skills

Team Collaboration | Problem Solving | Quick Learner | Time Management
